

Dear Friends/Supporters:

During these uncertain times, with all the new strains of the Covid Variants, we are being cautious and so the Board and I decided to cancel our annual fundraising event in 2021. We are, however, still as dedicated as ever to raising funds to support our various programs.

Your support of the Foundation helps to fuel our mission. In 2021, we donated proceeds to the following causes / charities:

- SOUTH ORANGE/MAPLEWOOD COMMUNITY COALITION ON RACE– An organization that has provided 25 years of advocacy, education, and community engagement activities to make our towns racially integrated and equitable.
- MORE THAN FRIENDS ORGANIZATION – An Organization dedicated to the education of Cancer Awareness and its support of Cancer survivors and their families.
- THE AUDREY MAISON MINISTERIES – This organization’s mission is to educate the women of Ghana of Breast Cancer Awareness and assist them to take control of their health with yearly mammograms.

To all of our supporters, “THANK YOU” for all that you have done to make the Vincent A. Huggins Foundation giving program a success. We wish you a Happy and Healthy 2022!

We hope to be able to celebrate with you in December 2022—and trust that you will continue to support the important work we do.

Sincerely,

Lynette Huggins

President
